

Handson
Safety Services Ltd
Safety, Health and Environmental training provider

Consultancy Services:

Complying with Health and Safety legislation is a continuous requirement for all employers; we can provide a cost-effective professional service designed to meet your specific company needs. Why not join one of our **Client Retainer Scheme** which provides you with regular safety HSE support as well as possibly good discount on course costs?

Training Requirements:

We are a national organisation delivering regular **NEBOSH, IOSH, CITB (Site Safety Plus), First Aid (Ofqual Regulated), Plant & Machinery (ITSSAR), Driver & ASD and Quarry Specific Awareness** courses from either our Crewe Training Centre or client premises.

We also deliver an extensive range of public and bespoke courses which may also be delivered on your own business premises.

We also provide professional **Fire Risk Assessment/s, Traffic Management Assessment/s, Racking Inspections and Occupational Hygiene** services to assist you to ensure the necessary level of compliance.
