Health and Safety Statement of Intent

Handson Safety Services Limited, recognise that workplace safety, health and environmental protection are of the utmost importance.

The Company policy on the management of safety, health and environmental matters is based on the conviction that dangerous incidents, accidents, occupational ill health and environmental pollution are controllable and therefore ultimately avoidable.

In particular, the Management of Handson Safety Services Limited recognises its responsibility:

- To provide and maintain safe and healthy working conditions.*
- To provide training and instruction to enable employees to perform their work safely.*
- To maintain a continuing and progressive interest in Health and Safety.*
- To take into account all statutory requirements for Health and Safety.*
- To consult and involve employees in Health and Safety matters wherever possible.*
